RIVER PROJECT

The House voted by a large margin for the Upper Colorado River project, to cost $756,000,000. It will irrigate 132,000 new acres of land, and supplement existing water for almost twice as many more acres.

SURPLUS COTTON

The Administration will put government-owned surplus cotton on sale at "competitive prices" in an effort to regain for the United States its share of the world cotton market, according to Agriculture Secretary Benson. He acknowledged that the proposal to dispose of some of the country's surpluses had been opposed by the State Department.

U. S. MOUNTAINS

New measurements by the U. S. Geological Survey show that Colorado has 54 mountains which lower 14,000 feet or higher, instead of 62 indicated by older surveys. The two additions are Missouri Mountain, 14,067 feet above sea level, and Huron Mountain, 14,009 feet. Both are in the Collegiate Range area, near Buena Vista, in central Coolrado. Elbert, at 14,- 431 feet, is still the state's highest mountain.

JOB RECORD

An estimated total of 75,300,000 Americans held full or part time jobs in 1955—3,500,000 more than in 1954 — and the greatest number on record since World War II. Of the 3,500,000 increase in the number of workers who actually were employed part or all of 1955, about two-thirds were women.

AVERAGE FAMILY

The following picture of the average American family was compiled from government and independent group figures: The average American family now averages 3.5 persons and the husband and wife are about 30 years old. The husband was about 24 when he married, stands 5 feet 8½ inches tall and weighs 156 pounds. His wife was about 21 when married, is 5 feet, 4¼ inches tall and tips the scales at 133.

Deacon A. W. Robinson is still on the sick list.

Rev. Lawing will deliver the annual seromn to the Brotherhood Clubs of Lynchburg and vicinity this Sunday at 11 A. M. at the Scott-Zion Baptist Church near Lynchburg.

The public is invited to attend the regular preaching service at the Chestnut Grove Baptist Church this Sunday at the 11:30 A. M. service.

A large number of relatives and friends attended a surprise birthday party last Thursday in the home of Mrs. Lucy Tibbs, in honor of her 75th birthday, given by her daughter, Mrs. Modessa Jordan. She received many useful gifts and a nice sum of money.

HIS REASONS

Klinton, Tenn.- Court officials just couldn't understand why a defendant insisted on posting $500 bond, when the grand jury had found no evidence to indict him on an assault-and-battery charge. Then, they found that, on the way to the courthouse, he had run two red lights, run three stop signs, traveled 90 m.p.h. in a 45-m.p.h. zone and driven on the wrong side of the street. He explained, "I want to save myself another trip back here."

DUCK ONE KILLED BY SECOND

Lisbon, Portugal.- Four railroad workmen saw a freight train coming at them on the track on which they were working. They jumped to the track alongside, right in front of an express approaching from the opposite direction. All four workmen were killed.

ARMY STRENGTH

While the Army Chief of Staff, General Maxwell D. Taylor, recently acknowledged that the Army thought 27 or 28 divisions, instead of the currently provided 19, would be the "optimum," he refused to be drawn into any serious questioning of the Army's strength.

Homemakers Items

If you have a freezer storage cabinet in your home, you can do al most all food preparation for a party days in advance, when there is time to spare, leaving plenty of free time before the party for other last minute activities.

YPI nutritionists say chicken itself is a "natural" for quick party dishes. Freeze it in its own broth if you want to finish the recipe on the day of the party. Or make and freeze chicken a-la-king, or chicken pie, ready to pop into the oven just before serving time. Chicken livers may also be frozen, ready to use.

For dessert the choice is almost unlimited — baked Alaska which should be frozen before wrapping, cakes with butter frostings, frozen fruit creams, or ice cream desserts such as sponge ice cream roll, ice cream pie, nut-covered ice cream rolls, cream puffs with either ice cream or cream filling.

At a children's party, ice cream snowmen will be popular. Make them ahead of time, using a large scoop of vanilla ice cream for the body, a small scroop for the head, and raisins or chocolate drops for the mouth, eyes, nose, and buttons. Store in zero storage cabinet until serving time. An ice cream cone hat gives a gay jaunty look on an ice-cream-ball face.

A fruit whip is excellent if used within one to seven weeks. Use 4 egg whites, 2 cups fruit, 1 tablespoon lemon juice, and 1 cup of sugar. Put all together and whip until stiff. If fruit is sweetened reduce sugar to 1-2 cup. Non-caloric sweeteners may be substituted for sugar, and will not effect the freezing.
